Meeting A-moto-kun

A-moto-kun
• Okamoto-kun's personality when he drinks A-type blood
• Serious
• Very studious
Don't move! I'm an exorcist!
And I'm here to capture...
shinning!
Please wait for a moment as we pick up the recently fallen stand!
brisk
I sincerely apologize!
Eh?
You have no injuries, I trust?
U-umm...
I'm... I'm SORRY...
And as for you, classes have already started!
As I was the one who made this mess...
I would prefer it if we could continue our conversation during lunch break!
He is mad!!

I see, I see... You wish to study the modern-day vampire?

It is also an interesting subject to me.

In order to coexist with humans, we have evolved...

That's a problem!

That makes our studies a lot harder!

A-moto: quite a troublesome guy.

Prologue

Is that true, Father...!?
Yes.
For countless years, we exorcists have been continuously searching for the vampires.
At last we have found one of their descendants.
It is your mission to capture him, Mana.

He is living under the guise of a human.
Yes, Father.
For the future of our Organization, I definitely will...!
Have care, Mana.
He has surely evolved into something formidable.
SLIDE
You must always be on your guard...
Don't be nervous Everyone in the class is really nice!
I see
I UNDERSTAND, FATHER... THERE'S NO WAY I'M GOING TO FAIL-
All right, everyone take their seats.
Hey, what's going on!?

EH...?
THE VAMPIRE...!?

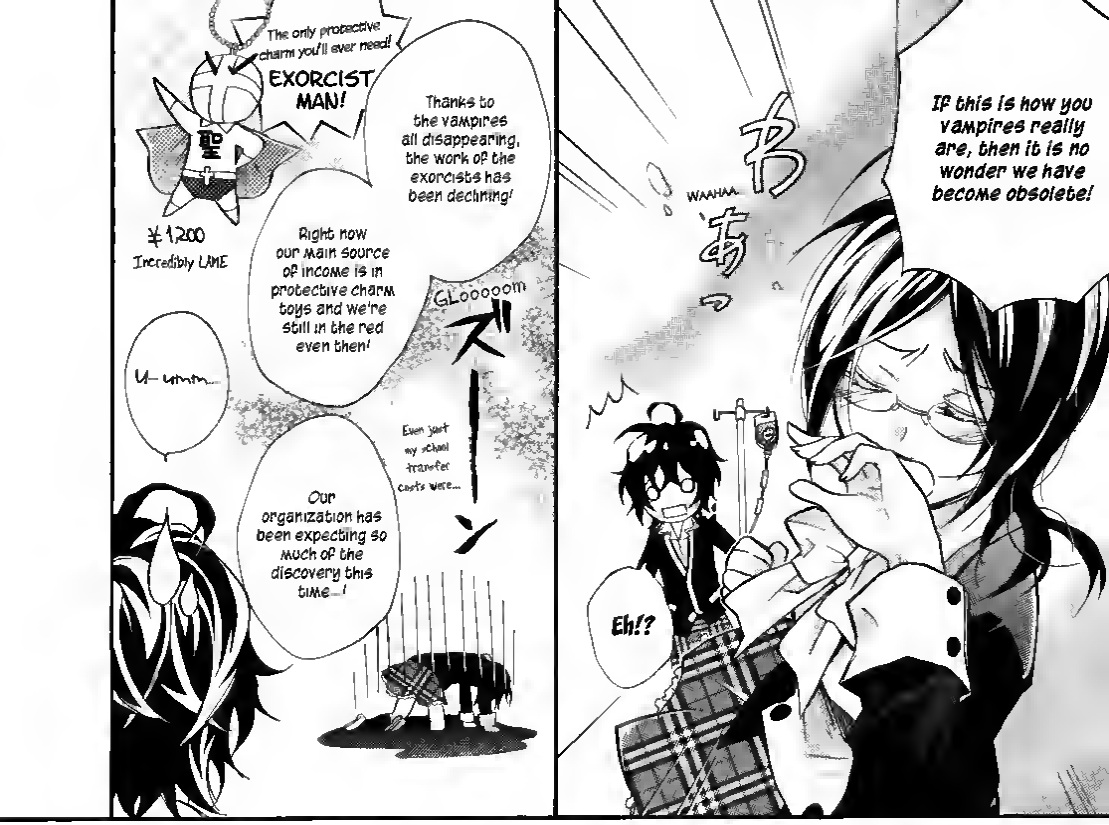

MURMUR
Don't Move! I'm an exorcist!
MURMUR
And I'm here to capture...
Keh...
I DIDN'T EXPECT HIM TO APPEAR SO SUDDENLY...!
sfff
...MY...
LUN...
THUD

I'm sorry, Okamoto! You all right!?
No use, he's completely anemic.
What? What's going on...?
Ahh, geez!
CLATTER CLATTER
Sorry! I was in a hurry!
Didn't I tell you to be more careful?
This is...
C'mon, get up.
Are you okay?
Sometimes we accidentally pull on his stand...
That boy- Okamoto-kun's his name- is a bit of an airaead.
His blood transfusion stand just fell over.
Did that startle you, Transfer Student?
It's always startling the first time this happens, huh?
You'll get used to it pretty quickly.
ANEMIC? BLOOD TRANSFUSION? UMM, SO IN OTHER WORDS...

HE'S NOT A VAMPIRE AFTER ALL...!
Ahaa, sorry for startling you like that.
I just got so hungry I couldn't take it any longer!
Noon Break
I- it's all right. Are you really okay?
"So hungry"...?
Yup. Thanks to this blood transfusion.
HOW SICK MUST HE BE, TO ALWAYS NEED A BLOOD TRANSFUSION...?
I'm sorry for saying weird stuff earlier.
But having to come to school all the time must be really hard for you, huh?
Hm? It's no biggie- actually, it's no trouble at all.
After all...

Huh?
Ah, to be precise, I'm descended from vampires.
Anyway, without this blood, I'll die of hunger
I am a vampire.
This is my lunch.
Eh?
Heh heh~ I'm glad you asked.
AHEM!
Hail
Hail
Bu- but aren't vampires supposed to be blood-sucking demonic creatures ?!
tada~!
I'm perfectly fine with a blood transfusion!
We're different now!

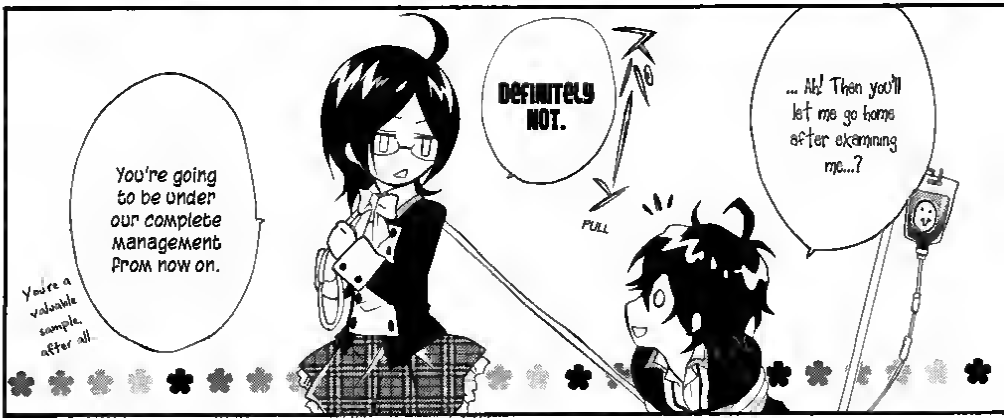

Oh, and here's the really fun part!
...Come again?
Wh at?
We've really adapted over the years. Now we aren't afraid of the sunlight and can eat garlic.
I happen to love [peperanchino].
And we've got no problem with crosses or silver.
I'll show you some of the-
Tha...
This is just ridiculous...
You can say we've changed almost completely!
A Studious
I need to study for the test...
My personality will change depending on the type of blood I take!
B Lazy
It's too troublesome.
O Laid Back
I'm hungry~!
AB Spacy
There's a UFO!
So basically Type O is the best kind!

The only protective charm you'll ever need!
EXORCIST MAN!
¥1,200
Incredibly LAME
Thanks to the vampires all disappearing, the work of the exorcists has been declining!
Right now our main source of income is in protective charm toys and we're still in the red even then!
U- umm...
Even just my school transfer costs were...
Our organization has been expecting so much of the discovery this time...!
GLoooom
ズーン
If this is how you vampires really are, then it is no wonder we have become obsolete!
WAAHH
わぁ
Eh!?

Uwa, I-I'm sorry!
You don't even know that much?! What kind of education did you receive?!
Hm? Exorcists... I feel like I've heard that term before.
Was it the title of a movie?

We exorcists are clergymen who exterminate the demonic creatures that threaten humanity!
You, our natural enemy, the vampire descendant who has been hidden for so long-
We've been searching for you.
I'm taking you to our organization!
EEEEHHHH!?
BAM!
PULLS.
And so...
Just for me, all this while you've been searching...?
SUCH PASSION...
THU-THUMP
Please don't get all shy about it.
You're misunderstanding!

Wh... what do you mean, you're taking me!?
It's so that we'll be able to conduct research on the modern vampire, of course!

... Ah! Then you'll let me go home after examining me...?
DEFINITELY NOT.
FULL
You're going to be under our complete management from now on.
You're a valuable sample, after all.

You're not going anywhere, vampire!
I want to keep living happily and freely like I am now!!
No way!!
THAT'LL BE TAKEN CARE OF.
Probably
But home... and school...
WITH A GUARD 24 HOURS A DAY.
... Manage-ment.

So what if I'm a vampire!
It's not like I'M attacking people- I'M not hurting anyone!
But you can't live without the blood of people, right?
UHH...
That might be so, but I'M perfectly fine with using blood transfusions.
I don't need to attack people and suck their blood.
Even you're fine now, we don't know if you won't lose control sometime in the future!
I won't! I swear I won't!
Nnnnn...
...Then how about this.

That I will definitely be fine!
How's that sound?
I'll prove it to you!
And so! I'll stop my blood transfusions and fall into an extreme state, and even if I'm on the verge of death, I won't attack a person! That'd prove I'm harmless!
Wouldn't it!?
POINT!
Y-you're making such a dangerous gamble...!
And how exactly are you going to prove it to me?
Mental Image
Don't! You're not sane right now!!
SOS
FOOOD...
And I don't mean that in any suspicious way!
It's said that under extreme conditions, one loses their ability to think rationally
I bet humans and vampires are the same in that respect

It's not a dangerous gamble. I'm confident in myself.
...!
Five days! If I can last five days, I've won,
And I'll be allowed to live freely as I have been!
If for any reason I were to attack anyone, you'd have to stop me. After that you would be able to do whatever you like with me.
Even boil or fry me if you want
In the name of the exorcists—
Alright then
SQUEEZE
...?

I'LL CALL UP YOUR VAMPIRE INSTINCTS!
Still good-!
SEALED!
I won't lose!
By the way, why 5 days?
I went on a trip once (for 2 days and 1 night) and forgot my stand. Since it got really bad, I'm basing what I think my limits are on that
Looks here, blood! You miss it, don't you?
That's exactly right!
TOMATO JUICE
BAM!
THE LEGENDARY VAMPIRE
Remember how you're supposed to be!
Whoa
Soooo hungry!
Just two more days...
So hungry
THE SPLATTER
Today's challenge: Full Color Bloody Manga
...Why are you trying so hard?
Even if we catch you, it's not like you're going to die
THE SPLATTER

Vampires and exorcists and all that... If that's all I thought about, I'd be living a pretty boring life.
Getting to live together with humans makes me so happy to have been born with this body.
I'M HAVING FUN RIGHT NOW.
That includes exorcists like you too.
I intend to make peace with all of you for our ancestors if I win.
That's the reason I'm giving it my all.

"MAKE PEACE WITH," HE SAYS.
Waahh, this manga's scary!
THAT'S JUST CRAZY...

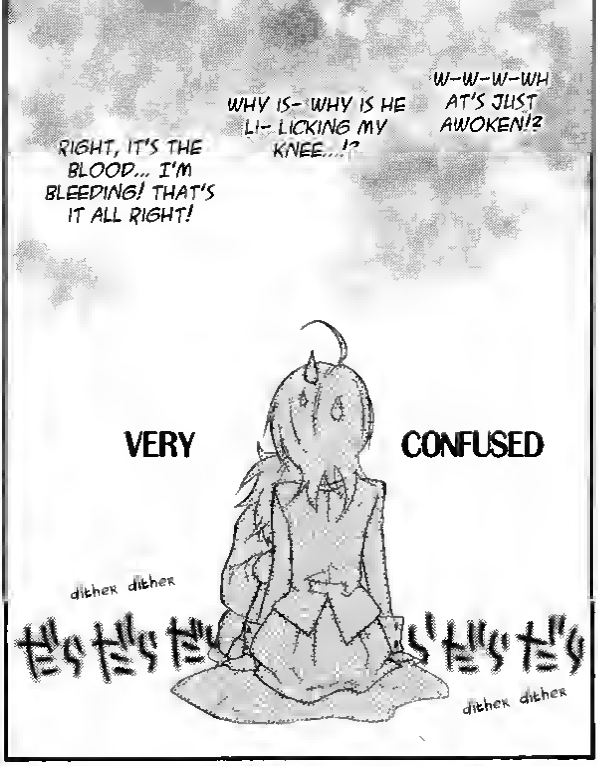

Why don't you just give up?
Everything will go to waste if you die!
Aw, but I'm not going to die or lose!
Hey, are you worried about me?
Thanks-!
Wh- what?
Of- of course not!
I'm just trying to prevent anything bad from happening...!

OKA-MOTO KUN!
That's not it Mana-chan!
I'M sorry, I was over-doing it there! You don't have to get mad at him!
I just cut my finger...
I see...

I thought since she was offering it to me, it was fine
I♡ Ehehe
However! You were going to drink a person's blood, weren't you!?
No! I'm really sorry!
RUMBLE
DO YOU WANT ME TO CAPTURE YOU?
It suits Okamoto-kun too well!
But really, choosing to put on a Vampire Cafe for our school festival event was the right choice!
As expected of the real thing!
Thank you, thank you!
THAT'S RIGHT, OKAMOTO-KUN IS THE NATURAL ENEMY OF US EXORCISTS- A VAMPIRE.
HOWEVER, INSTEAD OF DRINKING BLOOD, HE LIVES ON BLOOD TRANSFUSIONS. HE'S A PRETTY STRANGE GUY.

A FAIRY?
It would!
You know, if we had a fairy, that would make this perfect!
FOR THE TIME BEING, I'M IN CHARGE OF KEEPING AN EYE ON HIM, BUT...
EH!?
YOU SERIOUSLY SAW IT!?
I really did!
Haunted mansion?
At that haunted mansion!
This guy says that yesterday he saw a real one!
What's up?
Roll

Along the shortcut from school to the train station, there's an old abandoned house.
It's got this ridiculously creepy feel to it, so there are rumors that it's haunted.
CHATTER
So you see, when I was headed home yesterday, I saw the ghost of a woman!
And we're staying late today because of the school festival preparations! That's so scary!
Ah!
Midorikawa-san! You're an exorcist, so you can exorcise spirits, right?
Yeah, I can do that, but...
SHOUT
THEN WILL YOU HELP US OUT WITH YOUR POWERS!?
EH?

She's doing quite well

We're supposed to be enemies, though...
Oh, that's a good idea!
An exorcist and vampire combination has to be extra strong!
Of course!
Eh?

Sigh
I never thought I'd be working together with a vampire...

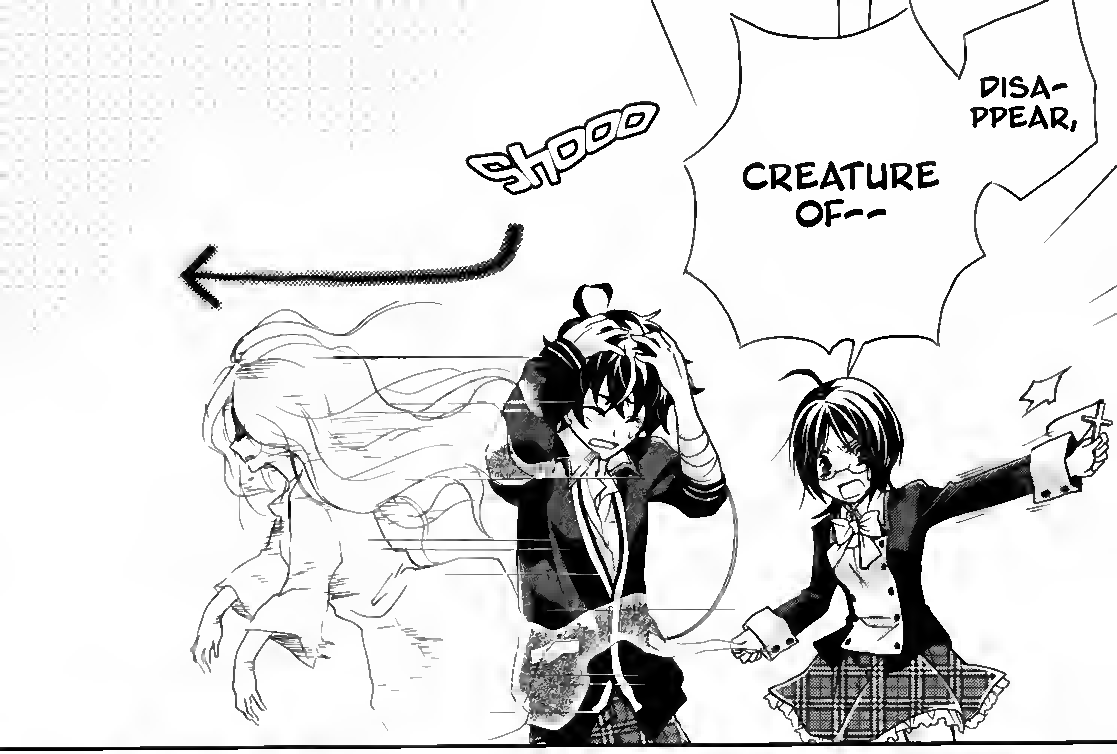

What's the problem with it?
Why the heck did you say you were coming along with me, anyway?
You even made a portable blood transfusion set!!
Ehhh, but I thought it'd be a lot of fun!
Pretty neat, right?
Besides, it's dangerous to go by yourself.
.....
I think I'M more worried about you...
So mean!
Is.. this the place?

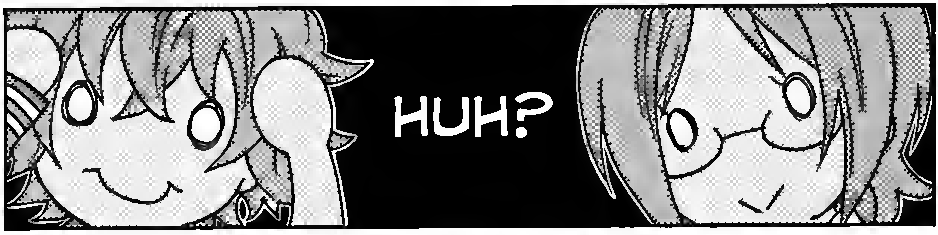

It really is just like a monster mansion!
Wow!
Why is there just one weeping willow here...?
This... really is something...
Let's hurry up and get rid of whatever's here so we can get back to preparing for the festival!
BAM
I-I'm going in right now!!
Aren't you going in, Mana-chan?

Oh, that's right, in foreign countries they've got more of a fake feel...

If we can find some way to suppress that emotion...!
Suppress it...? Oh I know!

What are you thinking!? There's nothing you can do here!
Just because you're a vampire...

Don't worry, it's because I'm a vampire that I can do this.

It's thanks to you, Mana-chan.

Thanks.
I was helpful, right?
It was a good thing I came along after all!

-Just now... did you do that?
...Yeah.
To be honest... I'm not a human at all. I'm actually an incubus.
WHAT!?
So- so then...

I'll explain what an incubus is.
I KNEW YOU'D SAY THAT!!
You're so ignorant!
So how do you spell that?
Incubus?
Appearing in dreams, they take the appearance of the sleeper's ideal person.
They are demonic creatures that tempt people, attacking them to draining their life.
A male is called an incubus, while a female is a succubus.

All of us incubi and succubi have evolved so that we can live with just a bit of others' life force.
We've also developed a special pheromone unique to incubi and succubi that tempts others to us.
This ability awakens when we're about 16 years old.
However, I...
Yes, there is.
There's more to it than that, isn't there?
...But judging from that earlier reaction,

NOW THAT EXPLAINS IT.
With all these women chasing after me, they're the ones draining my life force!
I can't manage to suppress these pheromones!
WAHAAAA!
I swear I don't want this!
I'm really sorry!
Hey, what's your name?
Huh?
HYUP
It's Shimizu Mamoru.
But...
DING!

FAIRY?
I knew it! Mana-chan, this guy-
He's our school's FAIRY!

The day of the school entrance ceremony, none of the girls noticed anything unusual about this one average-looking boy.
But the next day, his appearance had changed: "He's a fairy!" everyone was saying.
キャアアアア

What are you talking about?
Please don't go on about some weird delusion—

Or rather, it's a legend!

So I ended up fleeing into this manor, but...
This is why I usually stay at home...

From the moment I saw you,
I just knew it!

A fairy...?
Yup!

That's why I thought, if you're an exorcist,
You could do something about this...!
BUT, STILL, "EXTERMINATE"...
Please! I just want to live normally!

Eh? You...?
Come to think of it, you used some really incredible power earlier...
SHOUT
I KNOW WHAT YOU'RE FEELING!
I GET IT!
But isn't it going too far to exterminate...
I'm also a demonic creature! And you see, even though I'm a vampire, I'm okay with blood transfusions!
We're actually supposed to be in the same class!
Really, I'd be more than happy to have a friend like me there!

WAIT, DOES THAT MEAN...
With this cross, I can even make a lot of friends.
Being able to attend high school... it should be a lot of fun.
HE'S BEEN BULLIED JUST BECAUSE HE'S A DEMONIC CREATURE?
Shimizu-ku-
My whole life, up until junior high school...
I've lived in the mountains.
MOUNTAIN
The... the mountains ....?
Yes.
It was more convenient for my parents jobs...
If you lived in the mountains, then your sparkles
Well there were only mountains and rice patties around.

Of course I had fun regardless.
But... I always wanted to have friends my age.
In elementary school and junior high, there were only six students in the school.
I didn't even have any class-mates.
HOW LONELY!
THAT'S WHY I WAS SO HAPPY TO BE MOVING HERE...
Gloom
Wait, so then the reason for your pheromone quirk was that..?
I see, it was because of the shock..!
...But you know...
I was going to just give up; after all, I'm a demon, so there was no helping it.

Yes, that's right, it's all thanks to you.
Thank you, from the bottom of my heart.
Good to know things have worked out...
...Well...
GASP
This guy is a demonic creature! He's the enemy!!
EVERYTHING WAS FOR THE SAKE OF PROTECTING THE HUMANS!
NO!

WHY DO I CARE SO MUCH?
Ooob!
Are all demonic creatures like those two?
We get to cosplay with this!
Ru-kun! Hold up a moment!
... THAT'S RIGHT. THEY'RE BOTH THE ENEMY... AND YET...
It's a nickname!
"Ru-kun"?
WELL, I SUPPOSE EVERYTHING'S FINE AS LONG AS THEY DON'T HARM ANY HUMAN HERE...
CHATTER
CHATTER
NOW THAT I THINK ABOUT IT...
BECAUSE OF THAT CROSS, SHIMIZU-KUN'S PHEROMONES ARE INEFFECTIVE.
SO HOW'S HE GOING TO INTAKE ANY LIFE FORCE AT ALL...?

After School
You know, I was pretty darn shocked to meet another descendant of a demonic race here!
Me too.
CHATTER
Do we have enough cloth?
CHATTER
There's more over here!
MAYBE AT THIS RATE...
I may be from the vampire family, but I'm a big eater. I get hungry all the time.
It's pretty troublesome
But Ru-kun, you're fine?
Absolutely nothing to...
thud
Yes! So far at east!
ukkkk

THAT'S NOT WHAT I CALL "FINE"!!
EEEEK!?

Ru-kun, hang in there!
Let's get him to the infirmary!
Oh, I get it.
He's not had enough life force lately!

CHATTER
CHATTER
Shimizu-kun!? Oh geez, I knew it!
What do you mean, you knew it!?

INFIRMARY
I KNEW SOMETHING LIKE THIS WOULD HAPPEN...!

So it's no wonder you collapsed!
Without your pheromones, you have no way to obtain life force, don't you?
Eh...?
I'm very sorry... I didn't mean to collapse like that...
Oooo...
Then for the time being, I'll give you some of my life force.
HUH!?
That's true... but this is what I have to do, whether or not anyone can help me.

Uh.. um..
I've been studying up on him!
That's because it's too dangerous for any of the other girls to look at him!
And yet you're so harsh with me!
MANA-CHAN, YOU'RE GOING TO BE THAT NICE TO RU-KUN!?
ズイ。
So! How am I supposed to do this?
SO THAT'S WHAT YOU'RE AFTER!?
Besides, it'd be trouble-some if anyone were to die!
cha-ching!
Money!!
Ah... u-um...
BLUSH
What're you getting all shy for?
Th- that's because...

...A kiss...
Is the only way.
A KISS...!?

TL Note: There's really a fish called "kisu", which is the Japanese pronunciation for "kiss".

See? So harsh..
Enough with the annoying idiot act, Okamoto-kun. It's getting tiresome.
It's yummy in tempura!
So in other words, that fish...

Um, Shimizu-kun.
Is that the only way...?
...It is.
I used to be able to absorb other peoples' life force just by being near them. It was something only I could do.
After all, our pheromones are supposed to allow us to lure in another person in order to steal their life force directly through their mouth, via a kiss...
Originally... this was the only method.
R-right, you're an incubus...
WHAT SHOULD I DO..?

Hey, Mana-chan.
What!?
Are you really gonna do it?
FREEZE
MY THOUGHT PROCESSES CAN'T KEEP UP!!
I'M SUDDENLY CONFRONTED WITH A COMPLETELY UNPROFES-SIONAL WORD (KISS)!!

Kiss Ru-kun, I mean.

Sorry about that, Ru-kun!
You're fine for now though, right?
Y-yes, I think so...
Okamoto-kun?
Heeeeey
Uhh...

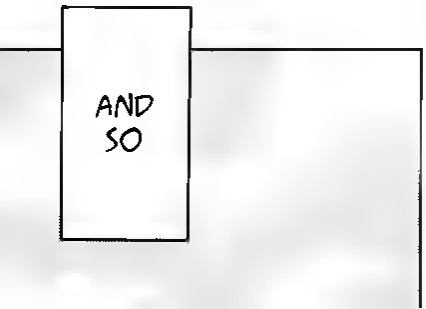

Anyway,
This is a definite no!
WHAT'S THE MATTER WITH OKAMOTO-KUN?
Then what do you suggest we do?
Hold up a bit! I'll figure this out!
Wait! Okamoto-kun, what do you mean, you'll figure this out?
...Huh?

TADAAAA!!
Our appologies, but we heard the whole thing!
Leave this to us!

The new cross?
It's supposed to be here soon, but...
Ah, thank good-ness!
You really don't have to worry so much about it, Shimizu-kun.
Our Engineering Department was thrilled to finally have SOMETHING to do.
Eh- "Finally"...?
The Exorcist Organization lacks money for too many reasons.
We're in somewhat of a tricky situation right now...

He keeps wasting the funds and technology of our Exorcist Association.
A tricky situation?
Yeah...

He's a completely useless and hopeless guy.

Sigh
Mana-chan, that's...
It's amazing that someone like that is an exorcist.
Umm, well, not exactly...
Not good, I squeezed too hard.

MORNIN' ALL~!
He too energetic this morning once again
Besides, a certain stupid vampire is more annoying than that guy.
Good Morning, Okamoto-kun.
Morning! Whatcha guys talking about?
We were talking about you, Okamoto-kun.
EH?

Stop teasing meeeee! I didn't do anything wrong!
Such good friends.
Yeah, yeah.
JUST TALKING ABOUT HOW MUCH I WANT TO TEST OUT A NEW CROSS ON YOU...
Heh Heh
What kind of conversation is that!?
Oh, I just remember. There's some talk going around the halls right now,
Something about a visiting student from another school.
A transfer student, huh?
Ah! I saw him!
Over here!

Aren't they having fun...
OH, I KNOW WHAT IT WAS! A "FAILURE" ATMOS-PHERE!
He was wearing an unusual white uniform, wasn't he?
A hot teacher!
But he's got this really cool atmosphere to him!
Seems like everyone at school was staring at him. He was a little odd, after all.
TMP
TMP
A WHITE UNIFORM AND A FAILURE ATMOS-PHERE..?
?
Is Midori-kawa Mana in here?
SLIDE

EH-!?
WA-WATARU ...!?
Mana!!

?
Murmur
What the heck are you doing here?
I came to see you, of course!
On my request they transferred me quietly.
That's not what I'm talking about!
Umm, Midorikawa-san, this person's from another school, right?
Are you acquaintances?
Ah, ummm...

I'm Kuba Wataru,
Mana's boyfriend!
EEEH !?
Sigh—
As if!
Che-
Enough with the ridiculous jokes, Wataru! Everyone's going to actually believe them!
.....
Ehh? Oh, it's only a joke

OKA-MOTO KUN?
Wataru is...
I see...
The son of the Exorcist Association's director. He's sort of a child-hood friend of mine.
We used to attend school together, but-
I spent some time studying abroad, only to return and find that Mana wasn't around anywhere!

Cold as ever, Mana!
More importantly, what're you doing here in the first place?
Save the pointless chat for later and go home!
I'm here to drop off your new cross.
CHING
Been waiting a while, huh?
Eh- oh, thanks a-
!
lift

There's just one thing I want you to tell me first.
... Wataru?
Well...
Why's that?
That vampire you're supposed to be watching's running around doing whatever he pleases.

!
Hey, you with the blood transfusion stand.
You're the vampire, aren't you?
Yeah, that's me...
Hmmm... so it seems that you really can live with just a blood transfusion stand.
But even if you can, a vampire is still a vampire.

Monitor him huh...?
Glance
And you're just letting him do what he likes...
Wataru! That's the mission that the Association gave me!
I'm to monitor his- to monitor Okamoto-kun's behavior!
Shfff
AND YET...
DON'T YOU TWO SEEM LIKE PRETTY GOOD FRIENDS?
WHAT'S THE MEANING OF THIS, MANA?

Crumple
That's not like you at all!
Wha-
Where'd you get that photo!?
I've been looking into what you've been up to! Letting your enemy wander around freely—
And this maid cosplay outfit doesn't flatter her at all!
Yeah... And Mana's always been the most fired up about her missions.

HUH?
LIKE THIS!
A MORE INNOCENT, PURE COSPLAY OUTFIT SUITS MANA FAR BETTER!
IF IT'S A MAID OUTFIT, IT MUST BE LONG!!NO, BETTER YET, SHE SHOULD DRESS AS A SISTER!!
I'D NEVER PICK OUT AN OUTFIT LIKE THAT FOR HER!
murmur...
AHHH! So frustrating!!
Um... Mana-chan... didn't you just say that that guy's the son of the Director...?
Wouldn't that make him the elite...?
..Yeah
sigh

The word of the director's son is absolute!
He's always messing around and skipping his training.
And he keeps telling the Technology Department to make toys and sports equipment rather than tools for demonic creatures.
SUCH A DEEP SIGH!!
And you can see, he's a COMPLETE IDIOT.
HAAAAAHHHHH...
No matter what we say, he doesn't change, and he is even giving the director a hard time.
Exa-ctly.
GASP
Wait, the person you were telling us about earlier, the one who's at fault for the major debt
Wataru...
MANA! ARE YOU EVEN LISTEN-ING!?
TURN
They've tried sending him to study abroad and to some kind of rehab-ilitation,
But clearly it's not helped at all...

But whatever. I won't accept you getting so familiar with that vampire!
Why the heck are you even talking about something like that, anyway!?
What, you've got a problem with it?
Seriously?
OF COURSE I DO!
HEY, VAMPIRE! LISTEN UP!
!
Familiar with... Wha... th- that's...
Anyway!

From now on, you're not just gonna be living however you please!
Instead, you're gonna be staying in the Association's Laboratory under our control!
EH-!?
CLAMOR

Didn't you tell this guy the same thing, Mana?
That was the original plan for him, of course.
Wait. Wataru! What do you think you're deciding on your own!?
Huh?
That's... that's right I did say that.
..THAT'S RIGHT. WATARU'S NOT WRONG. THAT WAS THE PLAN FROM THE START,
THE WAY THINGS WERE SUPPOSED TO GO.
OKAMOTO-KUN IS...
B-but...
... Don't wanna.

I'M NOT GOING ANY-WHERE.
Even if you don't want to accept it, that's my decision, and I'm sticking to it.
I already decided that I wanted to make amends with the exorcists!
Oka-moto kun...

JUMP
There's no need to take Okamoto-kun anywhere!
"Make amends"?
That's right!
Oka-moto's done nothing wrong!
And what's more, he's our important friend!
You guys...
...Hmmm?
SMIRK

Shff
Well then,
How about seeing for yourself what a vampire's true nature is like?

What're you planning?
And besides, I'm never going to bite a human.

When a vampire smells this candle, it puts them under a hypnosis!
I had this made specially-pretty impressive, ain't it?
Murmur
Wha-
So Okamoto -kun isn't doing this because he wants to, is he!?
That doesn't matter one bit.
It doesn't change the fact that his "I'll neve bite a human" was nothing but talk.

That's guy's completely different from us humans!
He's nothing more than an "evil, dangerous vampire"!

What, Mana?
Aren't you going to capture him now?

I- it's not like th- there's...!
Ba-dump
I- I just couldn't forgive how Wataru does things, that's all!
You can't pull any punches when it comes to people who don't do the same- literally!
...Okay.
Wha... what're you doing now?
stare

I was just thinking how glad I am that you're here, Mana-chan.
Thanks.

Okay! Now to go apologize to everyone!
Waaah!
Ba-dump-

AND TO PROVE IT-
I'M SO, SO, SO SORRY EVERYONE!!

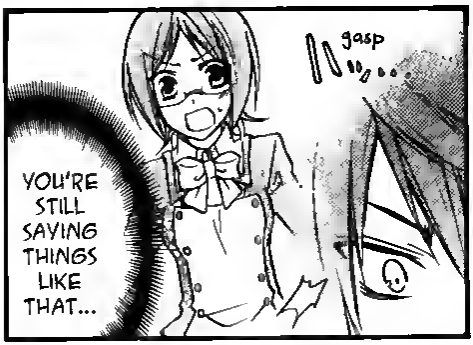

...True.
Awesome!
You're the best Okamoto!
YEAH!!
AFTER SCHOOL I'M GOING TO TREAT EVERY-ONE TO YAKINIKU!
It's all fine and good though, right?
Haha—
... He's looking better than I expected...
Yakiniku, huh—

His carefree attitude's so frustrating but fun, after all.

Somehow I get the feeling that they're misunderstanding...

You definitely like Assam best~!
Tee hee~ The Prince isn't very good at jokes~!

あっ、どうも。志水です。
2巻の予告をしろと言われて、出てきたのですが…。
いいんでしょうか、僕で…。
大役を任されてしまって、
ちょっと緊張しています。
ああ…バククを振りたくなってきました。

ところで、久保くんにはびっくりしましたね。
あんな人に捕まってしまったら、
僕なんてどうなっていたことか…。
でもマナさんが、僕ら魔物の味方をしてくれて、
本当にうれしかったです。
そういえば、久保くんとの第2ラウンドは
あるんでしょうか？
少しは改心してくれるといいですよね。

あっ、いけない…。
2巻の予告をするんでした。
2巻では、和風の魔物が登場するらしいです。
和風…？　ろくろ首とか、河童などが
出てくるんでしょうか。
僕も仲良くなれるといいんですが…。
河童さんたちと。
ろくろ首は、ちょっと怖いです。

そういうわけで
『緋色王子』第2巻、
今冬、発売予定です。

あっ、でも、予定は未定です。
遅れても怒らないでくださいね…！
